TUBERCULOSIS

NIP TB IN THE BUD!

“Hear Act Learn Treat-Tuberculosis”

Do you think you have TB?

How do you know?

You breathed in the TB germ and have:

- ✓ A bad cough for more than 2 weeks
- ✓ Feeling tired
- ✓ Fever or chills
- ✓ Appetite loss
- ✓ Weight loss
- ✓ Night sweats

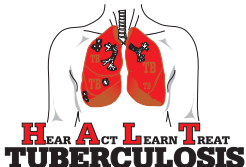

What do you do?

Get a TB skin test. Don't Delay!

Where do you go?

Go to your county health department

For more information, call: 404-657-2634

Fulton County Department of Health and Wellness
